April 2020

RUSSELL WALDNER

Has anyone had to adjust their daily routine? Here at Carbon we have been following the guidelines as presented by Governor Mark Gordon and the Wyoming State Health Office. I am thankful that they have been so responsive to keep the public informed.

Our buildings are closed to the public and we are encouraging everyone to use SmartHub for online payments and to see your electric usage. If you are not comfortable using SmartHub you can always use our drop boxes and the ANB drive up in Laramie. All RNB State Bank locations will accept your payment at their drive ups. We are manning the phones during our regular business hours and 24/7 for outage reporting.

We are keeping the power on and have our crews scheduled

as always to handle any outages or issues as needed. We are limiting our Member personal contact and will only enter homes on an emergency basis.

Please take all precautions to keep you and your family safe.

As always if you have comments or concerns please contact us.

Board Actions JANUARY 2020

Approved the Department Production and Financial Reports.

Approved Director Hodgkiss as the WUES voting delegate.

Approved Board Resolution 20-01 RUS Certificate of Authority to submit or grant access to data.

Approved Board Resolution 20-02 Authorized Secretary Certificate.

We are currently searching for a number of Member-Owners that had service with us for whom we've attempted to send capital credit checks to but were returned undeliverable. If you recognize anyone on this list or are the heir of their estate, please contact us. Thank you.

Energy Efficiency Tip of the Month

This spring, consider using a rain barrel to save energy. Rain barrels capture rainwater from a roof that can be used later for watering your lawn, garden or indoor plants.
