Member-Owned Service - Proud

RUSSELL WALDNER, GENERAL MANAGER

When you encounter a Carbon employee, please join me in thanking them for their continued commitment to keeping us all healthy and safe while providing you, our Member-Owners, outstanding service.

If you should have concerns or comments please contact us!

Merry Christmas and Happy New Year!

All of us at Carbon are looking forward to the holiday season, some to spend time with Family and Friends, some to get a little extra rest, and some to have extra time to finish that 2021 project. We hope that whatever your plans for the season are, that they are enjoyable.

The COVID 19 pandemic has been very impactful to Carbon. We have had numerous employees that have had to miss work due to the health protocols to protect the employee group. We have had to adjust our training schedules. We have made decisions to avoid travel that may adversely affect the health of Carbon's work force and our ability to maintain our service reliability. So far, we have been able to maintain our work force at acceptable levels to provide the service you, our Member-Owners, have come to expect.
